2024 Exhibit and Sponsorship Opportunities

Grow your business with Optica Congresses and Topical Meetings.

Now more than ever, it's essential to stay connected with your customers and forge new relationships. With buyers resuming business travel and in-person interactions, this is your opportunity to engage with them face-to-face.

To support your efforts, Optica Meetings continue with in-person exhibits in 2024. Optica Meetings are international in scope, yet the exhibitor and attendee experiences remain intimate in scale. With an average attendance of up to 600 participants, the sense of community cannot be matched at larger meetings.

Optica Meetings can significantly extend your reach to a global audience of buyers and industry leaders, as well as early-career professionals looking to forge a career in the industry.

What you achieve at Optica Meetings:

- **Thought Leadership**
Demonstrate your company's strategic partnership capabilities to a highly engaged audience.
- **Mindshare**
Bring solutions directly to participants through brand exposure and networking.
- **Market Intelligence**
Gather genuine perspectives on attendees' business challenges.
- **Branding**
Be seen by decision-makers that influence the buying process.
